Members of FFYS will get the opportunity to sail in various types of dinghy on the River Deben, at sea (no more than 3 miles offshore) and at pre-arranged sessions at Alton Water. Sailing will take place in groups under the overall direction of qualified Royal Yachting Association (RYA) Dinghy Instructors. The more experienced students may sail in single-handed boats within these groups. Students will follow a course of training leading to RYA certification. Students may be photographed or videoed during sailing sessions for training or promotional purposes. I consent to the above student taking part in these activities.
